# EMPOWERING COMMUNITIES, NURTURING FUTURES

## Training & Professional Development Services

ELQN strengthened early learning by equipping providers and caregivers with practical tools. This collaborative impact was celebrated at a community-wide event focused on support and connection.

## Ethnic Community Self-help Program

Our Ethnic Community Self-Help Program team deepened its commitment to family well-being through direct home visits, parental workshops, youth leadership development and virtual IP sessions.

## Economic Empowerment Program

Our Career Pathways Program team provided individualized career support that led to new credentials and employment opportunities for clients.
